

Kate DIMBLEBY

September 2017

The third Village Hall committee/Take Art promoted event to be held in the Lamyatt village hall was the performance by Kate Dimbleby on 30th September 2017. The 50 strong audience had an excellent evening as Kate showcased her Songbirds collection of music using a music-looper to add layers and texture to her rich vocals. Many of the songs are inspired by her family background and the sights and sounds of where she has lived.

The acapella sound was much appreciated by the audience who were encouraged and enthused enough to join in and a great rapport was built up between performer and audience. *“When can we have her back?”*
