Local Mendip Area Depot [countyroads-mendip@somerset.gov.uk](mailto:countyroads-mendip@somerset.gov.uk)

To report a pothole or blocked drain it is useful to take a photo of the location and send it with an email or upload it on the SCC website. Highways will endeavour to inspect within 48 hours and give you feedback.

The road gullies in the parish are part of the Council's Programmed activity, which are currently cleaned on a bi-annual cycle. The gullies were last cleaned in the 2018/2019 financial year and are scheduled to be cleared again in September 2020.
