

Bullbeggar Report to Annual Meeting

After more than 15 years of fun and fundraising the Bullbeggar has hung up his cider making coat. A huge Thank you to all who supported him with bottling, labelling, selling and consuming. We raised well over £15,000 for the village hall and the church and thoroughly enjoyed the experience. Although we never won gold at the Royal Bath and West, afficianados nationwide were amazed by the depth of flavour and quality of the brew. We still have a few bottles left so last chance saloon special offer at £15.00 per case of 12. Cheers .
